Changing Strong Emotions A DBT Skills Group

Learn DBT skills to manage strong emotions and cope with depression, anxiety, self-injury, suicidal behaviors, and eating disorders.

With DBT skills you will learn:

- 1. Mindfulness (becoming aware about one's thoughts, feelings, body sensations and internal experiences in the present moment)
- 2. Interpersonal effectiveness skills (building/ maintaining positive relationships and terminating negative)
- 3. Emotion regulation (regulating intense emotions)
- 4. Distress tolerance skills (crises survival skills during periods of high emotional distress)

Facilitated by Aleksandra Nedelkoski, LPC
