

Social Skills Group

Ages 10-14yrs

Beginning Monday, March 11, 2019!

Who: Any child 10-14yrs old that is in need of better understanding and refining their social skills.

What: A fun-filled course where youth can learn the important components of social interactions with kids their own age, as well as skills to build friendships.

When: Group will begin on March 11, 2019 and continue every Monday for 8 weeks from 6:00 pm -7:30 pm.

Where: Group will take place at the Perspectives of Troy location:
888 West Big Beaver Rd. Suite 1450 Troy, MI 48084
(14th floor of building, turn right when leaving the elevator and enter through glass doors).

Why: To improve the social functioning of every child that is struggling to have positive interactions with peers, as well as long-term meaningful friendships. Or in other words, to keep our kids feeling loved in all aspects of their lives!
